Lieut. Bates of the ranger force says the young men under him will soon be looking like full-fledged populists, as they are growing a beard and also allowing their hair to grow long. It was about a week ago that they were seated in camp one night, when the boys began to gny each other about needing the attentions of a barber. Each one declared the others looked worse than himself, when Lieut. Bates, to check further comparisons declared that the first man of them that should get a shave or haircut, should agree to contribute two cases of canned goods to the camp commissary department. This was agreed to, and the boys have been fighting shy of the barbershop ever since. Meanwhile canned goods are getting scarce at the ranger camp, and some of the boys' best girls are wondering

What Would You Give

To be cured of catarrh? If you or your friends have this disease, you know how disagreeable it is. Its symptoms are inflamed eyes, throbbing temples, ringing noises in the ears, headaches, capricious appetite, and constant discharge of mucus. Fortunately its cure is not a question of what you will give, but what you will take. If you will take Hood's Sarsaparilla, the great constitutional remedy, which thoroughly purifies, enriches and vitalizes the blood, you may expect to be completely and permanently cured. The good blood which Hood's Sarsaparilla makes, reaching the delicate passages of the mucous membrane, soothes and rebuilds the tissues and ultimately cures all symptoms of catarrh.

1,000,000 WOMEN RELIEVED

Reports received show that Wine of Cardui has brought permanent relief to 1,000,000 suffering women in the last few years. Because of Wine of Cardui, thousands of sufferers, seemingly on the way to premature graves, are now healthy women taking an active interest in the duties of life. Mrs. Mitchell was declining in health when Wine of Cardui "performed a miraculous cure" in her case. She suffered terribly with the agonies of falling of the womb, leucorrhoea and profuse menstruation. The weekly appearance of the menses for two months sapped her vitality until she was little better than a physical wreck. Her nervous system gave way under the terrible pain and aggravation. Then came the trial of Wine of Cardui and the cure. Mrs. Mitchell's experience ought to commend Wine of Cardui to suffering women in words of burning eloquence. The Wine is within the reach of all. Women who try it are relieved. You can get as much benefit as Mrs. Mitchell received. Ask your druggist for Wine of Cardui. Send to the laboratory for the medicine if he tenders you a substitute.

WINE OF CARDUI

South Gaston, N. C., May 29, 1900.
Wine of Cardui and Theodor's Black-Draught have performed a miraculous cure in my case. I have been a great sufferer from falling of the womb and leucorrhoea, and my menses came every week for two months and became very painful. I was in a bad condition. My husband induced me to try Wine of Cardui and Black-Draught, and now I have no pain. The leucorrhoea has disappeared and now I am in perfect health. Mrs. WILLIE MITCHELL.
